2. Strategic Grandmaster Action Plan (Pre-API & Post-API Phases)

Phase 1 (Pre-API Onboarding): Submit 1-2 high-Sharpe (>2.0) Alphas daily to maintain momentum while waiting for the Workday background check email.

Phase 2 (Workday Onboarding): Once the Workday email arrives, complete the background check form and sign the Consulting Agreement. Consultant access activates within 24 hours!

Phase 3 (Automated Python API Swarm): Connect WorldQuant Python REST API credentials to execute batch simulations, pushing our rank into the Top 2% Grandmaster Elite!
