2. Operational Execution & Reply Routing

Unified Inbox Routing: Every outbound email across `@aetherquant.cloud`, `@shieldaudit.digital`, `@leadnexus.business`, `@copyflow.cloud`, and `@eminencecore.com` includes explicit `Reply-To: santiago@eminencecore.com` headers so all incoming client inquiries arrive directly into your main inbox.

Academic Protection: All academic professors and university faculty have been completely purged from the automated email queue and flagged for manual LinkedIn outreach.
